

Mercy Family Birthing Center Payment Options

You may **save \$** by **pre-paying** your Birthing Center fee!

If you have insurance, you may pre-pay your co-payment
and **receive a discount** on your co-payment.
For example, if you have an 80/20 plan, you will save \$40 by pre-paying.

If you are paying out of pocket, you may **save \$200**
by pre-paying your entire fee.

Pre-paying means paying any time before you have your baby,
preferably before you come to the Birthing Center in labor. ☺

<p>Payment options: Real money! Check or money order Credit card</p>

The standard Birthing Center fee,
which includes all *routine* care for both mother and baby,
is \$2100.
